

Nasim Ale Ali

Assistant Professor

College: Faculty of Marine Engineering

Education

Degree	Graduated in	Major	University
Doctoral	2013	Mechanical Engineering	Shahrood University of Technology

Work Experience

Dean of the Department of Marine Engineering ,
Manager of International Campus for Foreign Students,
Manager of Virtual and Free Educations

Subjects Taught

Advanced Engineering Mathematics , Dynamics , Mechanical Vibrations ,

Executions And Scientific Activities

Dynamics and Vibration of Floating Bodies , Numerical Dynamic Simulation , Vibrations of beams and plates, Thermoelastic Damping , Numerical Methods DQM & FEM
