

MOHAMMAD ZAKERI

Professor, department of fisheries, faculty of marine natural resources, Khorramshahr university of marine science and technology, IRAN.

TEACHING INTERESTS

Aquaculture feeding management.
Marine fish/Shrimp nutrition.
Broodstock nutrition.

SOFTWARE/LANGUAGE SKILLS

Office (Word, Excel, PowerPoint)

SPSS

WUFFFFDA (Windows user friendly feed formulation data again).

Intermediate English

Address

Ali ibne Abitaleb Blvd,
Khorramshahr,
Khouzestan, Iran. Postal
Code: 64199-30066.

EXPERIENCE

Feed formulation (Ingredients, Growth promoter, Immune stimulants), Aquaculture feeding management (nutrients requirement, feeding methods and devices, feeding times), Biochemical proximate analysis, Marine broodstock nutrition, Marine larval quality monitoring, Live food culture.

ACADEMIC/ADMINISTRATIVE POSITIONS

2009-2015: Assistant Professor, Department of Fisheries, KMSU.

2015 to 2021: Associate Professor, Department of Fisheries, KMSU.

2021 to current: Professor, Department of Fisheries, KMSU.

2009-2012: Director of Industrial relations, KMSU.

2011 to 2019: Director of research and technology, KMSU.

2018 to 2022: Head of the fisheries department.

2022 to 2026: Vice president of university research and technology.

2026 to current: Head of the fisheries department.

EDUCATION

Ph.D.: Marine biology, 2009, Khorramshahr University of Marine Science and Technology, Khorramshahr, Iran.

M.Sc.: Marine biology, 2005, Khorramshahr University of Marine Science and Technology, Khorramshahr, Iran.

B.Sc.: Fisheries, 2002, University of Shahid Chamran, Ahwaz, Iran.

RESEARCH INTERESTS/EXPERIENCE

Marine broodstock feeding management, Neurohormonal control of nutrition, feeding biochemical and physiological patterns of aquatic cultured species.

Supervision of over 9 Ph.D. theses.

Supervision of over 41 MSc theses.

Collaboration in over 5 research projects.
